FOR5435 - Geocaching report

Team- Power Puff Girls (Melissa Moreno, Ciara Sanders, Maria Suarez)

Gatorwalk ID- GCH7B8

Difficulty – 3 out of 5 difficulty

Obstacle - I would recommend a flashlight to find this one, because the box is under the bridge, making it difficult to see.

GPS performance- Relatively easy to find the overall location. GPS was correct, and accurate to the overall location of geocache.

Princess Nina Georgievna ID – GC55EG8

Difficulty – 1 out of 5 difficulty

Obstacle – Right on the road, no obstacles.

GPS performance- Relatively easy to find the overall location. GPS was correct, and accurate to the overall location of geocache.

10 Lords a Leaping ID – GC4V8WF

Difficulty – 3 out of 5 difficulty

Obstacle – This one was tricky, it was a small black box behind a pole.

GPS performance- GPS was very accurate. The GPS almost pinpointed exactly where the geocache was.

Lakeside Memories ID – GC43TC2

Difficulty – 4 out of 5 difficulty

Obstacle – No real obstacle. The geocache was on the ground but very hard to see, it was very lucky that we found it.

GPS performance- GPS didn't recognize Lake Alice, so we needed to travel around the lake. The GPS adapted to walking around the lake, but overall was not very accurate.

Don't Cross Me ID- GC1Y7XQ

Difficulty – 2 out of 5 difficulty

Obstacle – No obstacles. Very easy to find in the fence. Not covered at all, but very small so easy to miss.

GPS performance- GPS took us exactly to where we needed to go. It almost took us exactly to where the geocache was.

Naturally Historic Butterflies ID – GC7M0C6

Difficulty – 2 out of 5 difficulty

Obstacle – In wooded area, no real obstacles. Geocache was large and relatively easy to spot. Did not have to climb or go under the bridge that was near.

GPS performance- Relatively easy to find the overall location. GPS was correct, and accurate to the overall location of geocache.

Leaving Evidence ID – GC5ADAR

Difficulty – 1 out of 5 difficulty

Obstacle – In wooded area, no real obstacles. Easy to find even though it was covered in moss, it was hanging and in good shape.

GPS performance- Relatively easy to find the overall location. GPS was correct, and accurate to the overall location of geocache.
